

JUSTICE Is The POWER of We
MISSISSIPPI ANNUAL CONFERENCE

Thank You, Thank You, Thank You!

To Our 2017 Systematic Giving Local Churches

In April our churches were challenged to be at a systematic giving level as of May 31, 2017. Congratulations to our 350 churches that reached that goal. We currently have 989 churches apportioned in our conference. That means that 35.39% of our churches are giving systematically. We are proud of our 350 churches that have met the challenge to be systematic givers this year. We are also very proud of our 113 churches that have already paid 100%.

Systematic giving allows ministry to happen all year long. Budgets are planned for a year at a time. Expenditures happen all year long, not just at the end of the year. By giving your apportioned mission shares systematically, there is "fuel" in the mission and ministry vehicle all year long.

Even though we celebrate our churches that are at the systematic giving level of at least 5/12 or 41.67% of their apportioned mission shares, we are very thankful for all the gifts that have been given to the apportioned mission shares and to the second mile giving.

If your church is not listed on the back of this flyer, won't you make an effort to get your church on board for systematic giving over the next months?

By developing the habit of systematic giving, you will find your church on this list next year.
